Bill Becomes Law

Will your Bill become Law?

What you will need:

Belinda and Billy Bill game pieces
Any coin
Game board

Object of the game:

The object of the game is to turn your bill into a law by making your way around the game board.

How to play:

Cut the game pieces out along the dotted line.

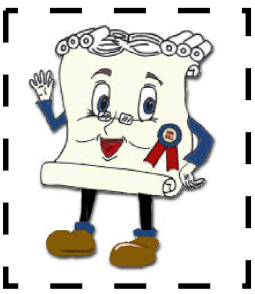
Place both game pieces in the first block on the board.

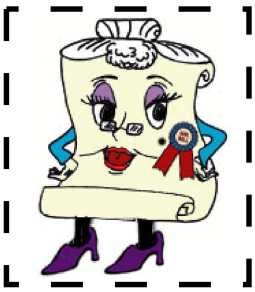
Flip a coin to see who will go first.

The player going first will flip the coin to see how many spaces to move. If the coin lands on heads, move forward one space. If it lands on tails, move forward two spaces.

Some spaces have special instructions on them. If you land on one of the blocks with arrows move forward or backward the number of spaces listed inside the arrow.

The second player will then have a turn.

Alternate turns until someone reaches the "Bill Becomes Law" square. The first person to reach this square is the winner!




Good Luck!
